Healthy Aging w/ Joyce

Happy Valentine's Day to All,

It is nice to see that Mother Nature has been kind to us so far. But winter isn't over yet. Here at the center we are busy planning the new years events. The office is buzzing with members bringing in their renew form. If you haven't renewed yet you will find a form in your news letter. Please fill it out and bring it into the office or drop it in the mail. If you are 80 years old you are now a life time member and your membership is FREE. We still ask that you fill out the form and return it. The address is on the top of the form. Remember to renew before March 31th or you will no longer receive a news letter in the mail.

During the cold days of winter a lot of our Seniors don't like to go out of the house. If you Have a friend that you haven't seen lately reach out to them and check to make sure they have what they need anything or maybe may time to go visit.

In your quiet time please remember our friends and members who are no longer with us and their families. If you haven't seen someone at the Center for awhile try reaching out to them to see if everything is ok. You never know when you can make a difference.

*Cindy Paquin,
Club President*

MONTHLY BOOK REVIEW

LADY CLEMEMTINE

BY MARIE BENEDICT

An incredible novel of the brilliant woman whose unsung influence helped shape two World Wars—Clementine Churchill. In 1909, Clementine steps off a train with her new husband, Winston. An angry woman emerges from the crowd to attack, shoving him in the direction of an oncoming train. Just before he stumbles, Clementine grabs him by his suit jacket. This will not be the last time Clementine Churchill will save her husband.

Lady Clementine is the ferocious story of the ambitious woman beside Winston Churchill, the story of a partner who did not flinch through the sweeping darkness of war, and who would not surrender either to expectations or to enemies.
